Magic Wand: Yves Saint Laurent Touche Eclat Radiant Touch

This [Yves Saint Laurent Touche Eclat Radiant Touch](#) pen-brush is becoming legendary around the Neiman Marcus offices—it seems we're all using it. And for good reason. This skin corrector truly works magic by erasing dark circles and overall dreariness from your face. We keep extras in our desks. *Real Simple* featured it in their January issue, so now everyone can be in on the secret (we're all stocking up over here, just in case!)
